## Check Out Our Technology

Get the information and resources you need when you want, how you want, and where you want.

# Our Equipment

## Chromebooks

Get all the ability of a laptop in a compact design. Our Chromebooks, powered by HP, come with a touch screen and the ability to fold into a tablet for easy use. Work from home, surf the web, read a magazine, and do it all with an 8-hour battery life.

## Hot Spots

Get connected, for free, with our hot spots powered by T-Mobile. Utilizing cell towers and unlimited data you can use these to supplement your existing internet or take the hot spot on the road. Grab one of our Start-Up Guides to get up-and-running in minutes.

## Fire HD Kids Tablets

Simple, easy to use, and with a child-protective case! These tablets are perfect for entertainment and education. They come preloaded with a variety of games, videos and apps. Parents just need to connect the tablet to WiFi and they're ready for use. Parents, don't forget to ask staff to give you the device pin number!

## Roku Streaming Sticks

Stream 1,000's of tv shows, movies, and even games to any television in the house using an HDMI port. Just connect to a wireless internet connection, and get instant access to tons of free channels. Users may also access many subscription services like netflix and hulu by entering their personal login information.

# Must Be 18 To Check Out Equipment

Fill out a technology loan agreement to get started. After that it's as simple as checking out. Sign up today to get access to all of these awesome devices!
